# MASSAGE CHAIR

## OOTORI-N802

### FEATURES

- Full Body Massage – According to the acupoint massage, 8 massage rollers inside the backrest, foot rollers, 32 air bags placed all over the shoulder, arms, seat, and legs
- 8 Point Massage Rollers – The N802 features an 8-roller smart-massage system that automatically matches the contours of your back and adapts to the shape of your body, providing a customized massage
- Zero Gravity Recline – This position decreases weight off of your spine, lowering your blood pressure by reducing the load on your heart, stimulating circulation to the extremities, increasing the depth and effectiveness of the massage
- Air Compression Massage – 38 air bags aoff a compression to the neck, shoulders, arms, thighs, calves and feet
- Carbon Fibre Heating in backrest unit radiates heat to relieve cold and pain. The infrared wavelengths match human body wavelengths to allow better heat absorption which promotes a faster metabolism.
- Seat Vibration – Soothing vibration detoxifies, stimulates, and relaxes the surface tissue to promote better blood circulation in the groin.
